

AGL Luxury Villas Mykonos

AGL LUXURY VILLAS offers exclusive, luxurious privacy at its 11 Mykonian villas just minutes from the island's most notorious beaches, most eclectic night-life entertainment and most remarkable dining experiences that Mykonos is so famous for. Each villa showcases its own Mykonian elegance and is perfectly nestled within the 24/7 access-controlled property where tranquility, sunsets and courteous concierge can accompany or accommodate any desire and ensure that you can concentrate on indulging in unforgettable revelry and/or relaxation.

To add to this, the property is uniquely protected from the Etesian Meltemi winds, so you can spend your time outdoors even when the rest of the island is windy. Spread over the 38,000m² estate each of the luxurious villas sports a pool, distinctly inspired decoration (by Alberto Pinto), satellite TV and Wi-Fi. Back-up generators and water purifiers, 24/7 CCTV monitored grounds (at the periphery), a private jetty and a helipad are available to guests, while chefs, butlers, extra cleaning and catered services can be arranged to never stop.
